

Rough Auditory Experience

Considerations to come: make language and interface as simple as possible.

1. Welcome! You can use the phone number you are calling from to login or you can use another phone number login.

Say "this phone" or "another phone". If this is your first time here, say "first time". If you would like more information, say "information".

2a. If this phone: Please say or type in your pin number.

2b. If another phone: Please say or type in your phone number.

Please say or type in your pin number.

2c. If first time: information about service. welcome to sign up for ___ say "sign up". Ultimately login.

2d. If information: information. Give information about service. Direct back to main menu.

3. After login: Your current message has been listened to by all of your contacts. Would you like to record, listen to messages, or work with contacts?

4a. If record: Record your message after the beep. Pres # to end.

5.If #: Your message has been saved. Would you like to hear your message, re-record your message, or go back to the main menu?

4b.If listen: one of your contacts has a new message. 001-501-459-9493 recorded at 3:45pm on Sunday: play message. Then back to main menu?

4c. If contacts: Would you like to hear current contacts or find new contacts? Would you like to assign special names to your contacts?

6. If Current contacts: Your contacts are 011-501-432-3394 and 011-501-430-0399. Would you like to hear these again, go back to contacts menu, or go to main menu?
